[Golden Valley, MN, September 2019] – Oak Ridge Financial is proud to announce that Mike Wier has joined the firm as Senior Vice President, Institutional Fixed Income.

Widely known in the industry, Mike has over 30 years of experience in assisting institutional investors with fixed income strategies. He has a specific expertise in working with financial institutions and money managers. Mike's experience includes: sales and trading, underwriting, investment banking and executive level management. Mike comes to Oak Ridge from Wedbush Securities where he most recently served as Vice President.

"As we continue to build out our Institutional Fixed Income Group" says Russell King, CEO Oak Ridge, "we are thrilled to have Mike join the group which includes industry professionals Craig Mueller, David Stieber, Jeff Mullins and father-son team Bruce and Mark Bennett."

Oak Ridge's Financial Institutions Group specializes in providing investment banking and fixed income sales and trading services to financial companies including banks, thrifts, insurance companies, money managers, public funds, finance companies and specialty lenders. Our team consists of professionals with over 100 years experience with in-depth knowledge of the capital markets and financial services industry. The Institutional Fixed Income Group offers a variety of both tax-free and taxable fixed income products and services including tax-free municipal bonds, taxable securities, and structured products.
